POPE JOHN PAUL II

Parish News

Catechism Registration

We are working on implementing a new catechism program for this upcoming year that will help support our parish families with a home based, family style faith formation. We ask that you register as a family, and the programming we will provide for you will be a mix of online formation, at home activities, and activities that can connect your family to the greater parish community, especially during these most uncertain and trying times.

We also have updated sacramental preparation programs for First Communion (grade 2) and Confirmation (grade 8) that will also be largely home based with the exception of a few workshops to be held at the church.

We strongly encourage our families to register by going on our parish website and downloading a form, or picking up a form from our faith formation bulletin board when you are here for Mass. Please feel free to fill it out and email it back to me or drop it at the parish office.

We hope that you will join us in this new adventure in catechism, and we pray that this will also be a time for our families to reconnect with their faith in a new way. If you have any further questions or to register please contact Candace Anthony at 204-453-0933 or email candace@stvitalparish.ca.
